Living on the Prairie

Name _____ Teacher _____

What if you had been alive in the late 1800s and had traveled to the prairie with your family. Using what you have learned about prairie life, think about the following.

1. What would you have liked most about living on the prairie? Why?
2. What would you have disliked most and why?
3. What would you have worried about the most and why?
4. What would you have learned from your parents and why would that skill be important in prairie life?

Write a paragraph to answer these questions. Remember to have topic and concluding sentences.
